## President's Corner

Well, our car show is in the bag. I heard a lot of positive comments about it. Everyone liked the way the cars were efficiently parked but we almost ran into trouble over the sheer numbers—actually a good thing. The parking crew is suggesting new methods for the next show. We have some of the best volunteers anyone could ask for. Thanks to all of you.

On the negative side we had a lot of cars, and owners, leave early. Our method of vote counting failed us. Barry and Diane Northway, Walt Lanz, and I are working to make counting faster and more efficient. We have almost two years to perfect it. Any suggestions on methods to improve the show will be greatly appreciated.

I am looking forward to our road trip this coming Saturday. We will be going to Fernandina to have lunch at Sandy Bottoms and then going over to Fort Clinch for a special guided tour that is being arranged by Penny Levy. On this tour we will get to go places that the public normally doesn't see.

There are two meeting points for caravanning: Panera Bread in Jacksonville Beach at 10:00 a.m., and the parking lot of the Mayport Ferry at 10:50. The ferry leaves the Mayport side on the hour and the half hour, so don't be late. The ferry does not wait for anyone. Coming home the ferry leaves Fort George Island on the quarter hours. Cost of the ferry is \$6.00 so bring cash.

### British Car Classic Mark XXVII - Feedback

I would love to hear from members about their Car Show experience. Likes, dislikes, suggestions, or anything else you can share. What did folks you talked with have to say?

The numbers were good and by all I noticed, British car lovers had a great day. And what a day it was - absolutely beautiful, cloudless, and just the right temperature. Not to mention a lot of terrific cars in all conditions from completely original to fully restored. Already looking forward to next year. How about you?

*The following are pictures, etc. from this year's show:*

## CAR SHOW, cont:

Here is a excerpt from JCCNF's Pie and a Pint

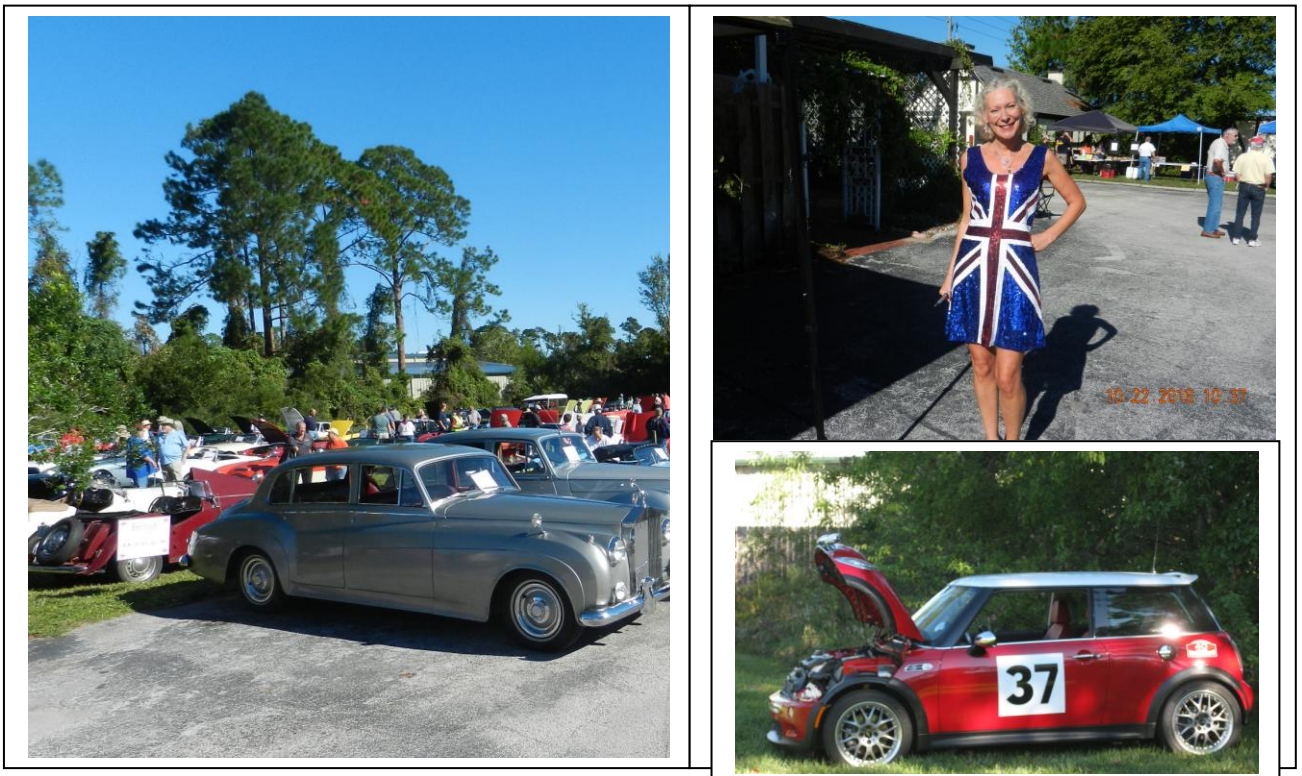

THE **BRITISH** CAME OUT IN FORCE FOR THE **ALL BRITISH CLASSIC XVIII** AT **THE KINGS HEAD BRITISH PUB** and **JCCNF'S REGIMENT** SCORED HIGH MARKS....INCLUDING A WIN FOR **"BEST OF SHOW"**

JCCNF was well represented on a weather perfect, crisp and cool day at the **Kings Head British Pub**. The **Triumph Club**, host of this year's **CLASSIC**, was well organized, even though challenged by a larger than expected field of car entries. As customary, cars were classified by years, with all models competing within their "age" class.

The JCCNF had at least 12 members with cars in show. \_

Hope you enjoy the picture book on this year's British Car Show:

Just a little funny

## Just a little funny

One day a father gets out of work, and on his way home he suddenly remembers that it's his daughter's birthday.

He dashes over to a toy shop and asks the sales person: "how much for one of those Barbies in the display window?"

The salesperson returns: "which one do you mean, Sir?"

We have Work Out Barbie for \$19.95, Shopping Barbie for \$19.95, Beach Barbie for \$19.95, Disco Barbie for \$19.95, Ballerina Barbie for \$19.95, Astronaut Barbie for \$19.95, Skater Barbie for \$19.95, and Divorced Barbie for \$199.95."

The amazed father asks: "how much?! Why is the divorced Barbie \$199.95 and the others only \$19.95?"

The annoyed salesperson rolls her eyes, sighs, and answers: "sir, the other Barbies only come with an outfit. Divorced Barbie comes with: Ken's Car, Ken's House, Ken's Boat, Ken's Furniture, Ken's Computer and one of Ken's best friends."

Anthony Cascio was recently in Texas and was able to set up our TCNF banner. This made me wonder how far TCNF has traveled.

Let us know of any interesting trips you have taken and any special cars you saw.
